From I-26 – Take Exit 107, I-20 East (towards Florence, SC);
Go approximately 8 miles to Exit 72 (and see directions below)

From I 20
Take Exit 72, Farrow Road
Turn left (North) onto Farrow Road
Travel approximately 1½ miles (you will pass Crafts Farrow Hospital and a State Credit Union).
Look for a green sign on the right side of the road that says “Midlands Center”
Turn left into the entrance of the Midlands Center.
Stay to your right and go straight on main road (Azalea Avenue)
Look for signs that say Developmental Pediatric Clinic.
You will take a left turn (before the first speed bump) into a parking lot, which is in front of our Clinic.
A large green sign will be on the door that says Developmental Pediatric Clinic. Enter Building (Poplar Building) and sign in at the receptionist’s window.

From I 77
Take Exit 19, Farrow Road
Head South on Farrow Road
Go a little over a mile (you will see a Waffle House and a Texaco Gas Station off to your left) – continue straight.
Look for a green sign on the right side of the road that says “Midlands Center”
Turn right into the entrance of the Midlands Center.
Stay to your right and go straight on main road (Azalea Avenue).
Look for signs that say Developmental Pediatric Clinic.
You will take a left turn (before the first speed bump) into a parking lot, which is in front of our Clinic.
A large green sign will be on the door that says Developmental Pediatric Clinic. Enter building (Poplar Building) and sign in at the receptionist’s window.

From 277:
Take the Parklane Road Exit.
Turn left at the top of the ramp onto Parklane Road.
Cross the railroad tracks and turn left onto Farrow Road at the light.
In a little over a mile, you will see a green sign on the right side of the road that says “Midlands Center”. Take a right into the entrance of the Midlands Center.
Stay to your right and go straight on main road (Azalea Avenue)
Look for signs that say Developmental Pediatric Clinic. You will take a left turn (before the first speed bump) into a parking lot, which is in front of our Clinic.
A large green sign will be on the door that says Developmental Pediatric Clinic. Enter Building (Poplar Building) and sign in at the receptionist’s window.
